Dear Sir / Madam,

### **A658 Harrogate Road, Huby Carriageway Repair & Reinstatement**

Further to the letter you will have received dated 16 February 2015 regarding North Yorkshire County Council carrying out carriageway resurfacing works within Huby village.

The works will now continue over a further period of three evenings. In order for the works to be carried out efficiently and safely, the road will be closed and a diversion route signed and maintained for the duration of the works.

The scheme is programmed to be on site on Tuesday 17 March 2015 until Thursday 19 March 2015 between the hours of 1900 and 000. However, as these works are weather dependant the dates may alter slightly from the above.

During the carriageway closure every attempt will be made to maintain access to properties and businesses, however due to the nature of the works, there may be times where access may be restricted. Your co-operation in taking extra care within the works throughout this period will be appreciated.

The Contractor for the works will be Ringway Infrastructure Services. Any queries regarding these works should be forwarded to the North Yorkshire County Council Customer call centre during office hours on (08458) 727374 in the first instance. Alternatively, for any immediate concerns relating to the site, please contact Afzal Deen on (07887) 412172, or David Hird on (07720) 918401.

I apologise for any inconvenience that may be caused and every attempt will be made to keep this to a minimum.

Yours faithfully,

James Malcolm  
Area Manager
