

LIGHT UP NORTH RIGTON!

2020

Help to
LIGHT UP the
village this
Christmas!

Raise Funds
for
Harrogate Hospital
Children's Ward

Let's dismiss the Covid-19 blues!

As Covid-19 restrictions prevent us from taking part in activities during November, and they will likely be limited in December, why don't we direct our attentions through a **Christmas Light Festival** to brighten up our community and in the process help others?

All you need to do:

- Display Christmas lights on a tree, in a garden, window or porch at home or some agreed suitable public space e.g. village garden.
- The more imaginative and creative the lights, the better. They can be in trees, on hedges or let your imagination run wild!
- **IMPORTANTLY**, you need to let us know about your display so we can add you to the **FESTIVE LIGHTS TRAIL MAP**.
- Please email: almscliffevillageevents@gmail.com

Deadline for registering your display - 1st December

Display dates – 7th December – 2nd January

All participants will also receive one of our famous Christmas Quizzes!

We will request donations, small and large to send to our chosen charity.

If you simply want to follow the trail or receive the quiz, please contact us on the email address above and we will send you the map and quiz together with details of a donation method.
