## GUIDANCE

1. Specific seating places will be clearly marked.
2. Each person will wash hands in sanitiser before entering.
3. Each person will be handed a 'one off' order of service which they will be asked to take away after the service.
4. Each worshipper will be directed to a seat filling up from the front.
5. There will be no singing during the service although organ or recorded music may be played during the service.

6. At the end of the service everyone is to remain in his or her seat. Wardens or sides-people will direct people to leave from the back first, washing hands with sanitiser as they leave.
7. Everyone will be reminded to leave without stopping to make small talk near the door. A polite request will be made for conversations to be had outside the church whilst maintaining social distancing.
8. The church will be cleaned immediately following the service.
