

## Rigton Rainbow Trail

### Festival of Flowers and Colour

Celebrating better times to come!

#### Let's bring lots of colour and fun to the village!

As Covid -19 restrictions continue and plans for summer are still uncertain, why don't we look to direct our attentions to brighten up the community and help others in the same way that we did for 'Light up North Rigton'?

#### All you need to do:

- \* Display flower pots, bunting, ribbons, colourful artwork to trees, walls or fences at home or at some agreed suitable public space e.g. the village garden.
- \* The more imaginative and creative your displays, the better .....let your imagination run wild!
- \* **Importantly**, you need to let us know about your displays so we can add you to the **Festival of Flowers and Colour Trail Map!**
- \* Please email: [northrigtonevents@gmail.com](mailto:northrigtonevents@gmail.com)

**Deadline for registering your display - 15th May**

**Display dates 1st - 30 June**

**We will request donations, small or large to send to Harrogate Young Carers**

If you simply want to follow the trail, please contact the email address above and we will send you a map, together with details of a donation method.
